

SURVEY CONSTRUCTION STAKING REQUEST

Thank you for choosing Diamondback Land Surveying. We know that conditions change all the time, but please understand that our schedule is based on your needs at the time you request surveying services. We schedule our crews for the amount of time needed to complete your request. 48-hour notice is required for any survey-staking request. Cancellations must be made no later than 12:00 pm the day before, or a mobilization fee will be charged. Your request must be received at our office via fax: 702-933-9030, or email @ tkeenan@diamondbacklandsurveying.com before any staking can be scheduled.
